munity was asked to pledge \$500 toward the structure. All did this

For a year the men, women, boys and girls of the community worked hard under the direction of Alfred Chapman who was construction superintendent. Friends and relatives from other areas also helped toward the project.

By April 29, 1950 the structure was completed and furnished, ready for dedication. Within that year's time the \$76,000 project had been completed and paid for by the 330 members of the ward. Elder Spencer W. Kimball of the Council of the Twelve dedicated the chapel on May 14, 1950. More than 600 persons attended the dedicatory service.

COMMUNITY EVENTS IN WALLSBURG

Electric power came to Wallsburg in 1929. Early in that year the Utah Power and Light Co. asked every family in the community to contribute \$135 toward construction of power facilities into the town. The money was collected and work began on the line. In August of 1929

HEBER FIFTH WARD

One of the most "scattered" wards in Heber City is the Fifth Ward, which was organized on September 10, 1954 by a division of the Second Ward. It covers the area west of Main Street and North of First North all the way to and including Keetley. Yet, in spite of the fact that its members are widely dispersed, its activities and spirit are united.

When the ward was created Vernon W. Price was sustained as bishop. He chose John J. Barnard and O. Maurice Miller as counselors, and Glen Moulton and Ivan Draper as ward clerks. About a year later, Brother Barnard moved to Provo and Brother Miller became first counselor and Glen Moulton was called as the new second counselor. Ivan Draper continued as ward clerk.

Vernon W. Price Bishop of the Heber Fifth Ward since 1954.

A building fund effort is underway in the ward and each organization is working on various fund-raising events. Already each of the auxiliary groups has donated \$500 to the building fund. The ward also has a 20-acre farm to supply hay for the stake welfare farm.

Leadership in the ward has included the following:
